Disclaimer

The publisher, Editor & member of the Editorial Board cannot be held responsible for error or any consequences arising from the use of information contained in the Review of Research, the views, thought and opinions expressed do not necessarily reflect those of the publisher, editor, neither does publication of advertisement constitute any endorsement of the product advertised by the publisher and editor. The Editorial Board makes every effort to ensure the accuracy of all information contained in publication.

Copy Right

Papers are reviewed on the understanding that they are submitted solely to this Journal. If accepted, they may not be published elsewhere in full or in part without the Editor permission.

Submission of a manuscript implies that the work described has not been published before; or that it is not under consideration for publication elsewhere. The author/s should agree to transfer the copyright to the publisher. While submitting the articles the author/s should give a declaration that "The article has not been published or sent for publication elsewhere".

Signature of Author/s

(In case authors are more than one, one should sign on behalf of all the authors)
